GENERAL INFORMATION

OUR NURSERIES at Sparta, Ky., comprise over 100 acres, eight miles from the Ohio River, on the L. & N. Railroad, between Cincinnati and Louisville. Willadean's soil and climatic conditions are unexcelled for the production of the highest grade of nursery stock of wide variety, in ornamentals, both evergreen and deciduous, trees and shrubs.

WILLADEAN enjoys the good-will of a host of old friends throughout the country, and we have the pleasure of adding new friends each season.

PRICES listed are for fall 1928 and spring 1929, and are in quantities only. For assorted plants in quantities under 5, 10 per cent should be added to the list price.

OUR TERMS are the usual ones to old customers and to those supplying satisfactory references, with 2 per cent discount if paid 10 days from date of invoice. On overdue accounts, 6 per cent will be charged. Fall accounts from December 1st, and spring accounts from June 1st.

BOXING AND PACKING are free on orders accompanied by cash. Otherwise a charge is made at cost of material and labor.

SMALL QUANTITY lots of stock, many of them of unusual varieties, have not been included in this list. We would, therefore, be very glad to have your inquiries for other stock.
